

## SPECIALIST LEADER IN EDUCATION

**Name:** Rebecca Gittins

**Base school:** Welbeck Primary School

**Specialisms:**

Leading Teaching and Learning in Literacy and Numeracy.

Development of NQTs and middle leaders.

I have worked at Welbeck Primary for 7 years. It is an outstanding, urban, diverse and creative primary school. My main area of responsibility as a senior leader is to lead and develop teaching and learning across the school to ensure all lessons are good and outstanding. This involves mentoring and coaching staff, developing CPD opportunities, monitoring and evaluating provision, practice and standards and leading staff meetings and INSET. My other areas of responsibility include: assessment and the development of teaching assistants and other support staff.

Welbeck is a National Support School, I have played an active role in school to school support programmes supporting schools in Ofsted categories. My focus has been on the development of teachers and SLTs in leading teaching and learning and developing the role of Literacy and Maths subject leaders to strengthen their role in monitoring and evaluation. I have delivered whole school staff training including: Use of AfL, Differentiation, Modelling writing and the New Maths Curriculum. For 3 years I have facilitated the ITP and OTP to teachers across Nottingham City and County schools.

### **Testimonials:**

The OTP programme delivered at Welbeck was excellent CPD for 3 of our teachers. The programme gave all 3 teachers a chance to reflect and build on good practice to become consistently outstanding over time.

**Head of School- Haydn Primary School.**

Rebecca worked with Mellers' English lead for over a year as part of National Support School work. She works in a very thorough way, identifying strengths and clear and practical areas for development, with solutions also identified. Our English lead was inspired by Rebecca and benefited greatly from her expert subject knowledge and management of the curriculum. Rebecca is warm and very engaging, both on a professional and personal level, which really enhanced the work we did together.

**Headteacher- Mellers Primary School.**
